

### Directions to Can Portell, St. Andreu del Terri

- (Sat navs often only mention Cornellà del Terri; in that case, follow those directions because St. Andreu del Terri resorts under this municipality. But we do not live in Cornellà. **To be precise: GI 514, between km3 and km4!!** Or set your system for: Placa de la Vila 5, Cornellà del Terri and you will park in front of our house.)
- Follow the **AP7** towards Girona – Franca coming from Barcelona, or towards Girona – Barcelona coming from France.
- Take exit 6 (where the signs say *Banyoles, Olot, Girona-N*).
- Get in lane for the toll booth with the Euro coin sign (unless you want to pay by credit card, of course).
- Immediately beyond the toll booths take a sharp left, for the C66 towards *Banyoles – Olot – Ripoll*.
- Follow this road for approx. 6 km to the exit *Cornellà del Terri – Medinyà*. Take this exit. At the roundabout, follow directions for *Medinyà*.
- At the T-junction, turn right, again towards *Medinyà*.
- You are now on the GI-514.
- After (!) the T-junction, start counting bends in the road. At the fifth bend go straight, onto the country lane! (So, don't go left and down). **See sign Sant Andreu del Terri**
- Follow this lane until you have *passed* the ferroaduct and then turn right immediately, see signs **Can Portell** for the old house to your right. In order to park, follow the **P Can Portell** signs. Please do not park on our neighbour's property...
